I, _____ (the customer) hereby understand that the warranty that was given to me by Red River Appliance Repair And Service (The company) is limited and applies only to the part/issue that was replaced or repaired.

- The warranty does not apply to any other parts on the appliance.
- The warranty does not apply in any case of excessive or non-standard usage.
- The warranty does not cover clogs of any kind.
- The warranty will not take effect in a case of wrong usage, and/or any damage that was caused directly or indirectly by the customer.
- The warranty will not take effect if any foreign objects enter the pumps, motors or any other mechanical parts.

When using the warranty service:

It is my understanding that a charge of \$70+ HST will be applied if the original diagnostics does not match the initial problem. The service call fee will be waved in case I decide to repair the appliance again.
